

TIME TO SIGN UP FOR KONSTRUNDAN 2023!

Now it is time for professional artists, artisans, and designers to submit their applications to Konstrundan 2023. **The application period is 20.1–20.2.2023.** The application form and more information are available on the website www.konstrundan.fi.

The sixteenth Konstrundan in Finland will be held during the first weekend in September, Sat–Sun 2–3.9. Participating creative artists will open their ateliers and studios to the public. The aim of Konstrundan is to increase awareness of domestic contemporary art, arts, crafts, and design. Konstrundan 2022 had 432 artists participating across the country and made a record in visitors, with over 28,000 visits during the weekend!

As a participant, you will benefit from national visibility, new contacts, and an opportunity for direct sales and, above all, Konstrundan generates many meetings with people interested in art. It is especially important at a time when activities have been limited due to the corona pandemic. Especially now after the pandemic it is lovely to be able to meet and greet again.

“Art enhances our wellbeing and can offer us joy and comfort. In these times of worry and uncertainty, art also provides us the means to process our emotions. The artists of this country deserve high recognition for the work they do. Konstrundan makes it possible to visit their working spaces and to have conversations about art. During the visits you can also directly support the artists by buying their work directly from them,” Project Manager Martina Lindberg emphasizes.

On Friday 27.1.2023 we organize an online info-meeting where we tell you more about Konstrundan and how to apply. The info-meeting is held in three languages: at 12.00 in Swedish, at 13.00 in Finnish and at 14.00 in English. More information on our website. Remember to sign up before 25.1

Please share information about Konstrundan to creative artists in your networks!

CONTACT AND MORE INFORMATION

We have eight regional contacts, who are happy to answer any questions regarding this year's event.
