KONSTRUNDAN ILLUSTRATOR 2021

This year Konstrundan is arranged for the 14th time in Finland. Each year a selected artist or graphic designer has created an annual illustration for Konstrundan. The illustration for 2021 is made by **Ulla Donner**.

When Ulla was asked if she'd be interested in making this year's illustration she answered "Yes, please, because it's one of the most fun assignments one can imagine!" And Ulla has really managed to capture the spirit of Konstrundan in the illustration: here you can see many different types of arts and crafts represented, as well as the audience peeking into the artist studios in many fun ways!

Ulla is an illustrator, maker of graphic novels and graphic designer. She graduated from the visual communication programme at Aalto University in 2016 and she has worked as a freelancer ever since. In 2017 she published her first graphic novel *Spleenish* and in 2019 her second, *Skiten*, that was awarded with the Sarjakuva Finlandia-prize. Ulla lives and works in the countryside in Porvoo. She's currently working on her third graphic novel.

The illustration is attached to this letter and can also be downloaded on our website www.konstrundan.fi.

The application for Konstrundan is open until 21.2.2021.

Closer instructions and the application form can be found on our homepage.

The criteria for being accepted is that you are a professional and active artist, artisan or designer. This year it's also possible to apply as a bigger unit and hand in a shared application for several practitioners. For example, shared studios, arthoteques or associations that share a space where the participants can show their work can do this. It's free to take part and as a participant you get visibility, new contacts, an opportunity for direct sales and above all Konstrundan is generating many meetings with people who are interested in arts and crafts.

Please feel free to contact us if you have any questions regarding Konstrundan!

Project manager Martina Lindberg can be reached at 044 977 0773 or konstrundan.aboland@gmail.com
